

# STORM SERIES

True North Ale Company Ipswich, MA / Brewed on Boston's North Shore

## EYE OF THE STORM

### HURRICANE SOUR

Ale with Passion Fruit, Orange & Lime

#### FLAVOR PROFILE

EYE OF THE STORM is inspired by the Hurricane cocktail created in New Orleans. Infused with passion fruit, Cara Cara orange, and Key lime purée to produce big funky flavors and aromas of tropical fruit and citrus with a tart and refreshing finish.

ABV 6.0%

#### SOUR SERIES PROGRAM

Here at True North Ale Company we are known for our amazing IPAs. But our talented brewers also make a wide range of other styles, a number of which have won major awards. We have brewed sour beers since day one and, with the astonishing growth in their popularity, have expanded our offering each year. Every other month we will release a new and very unique fruit sour through our Sour Series program. Available in draft and package. Contact your True North Ales sales manager to sign up for the program. You and your customers will be pleased you did.
